[p. 1]

Journal of Samuel Rose Parkinson, I was Born in Barrowford Lancaster England April 12th 1831; my Father William Parkinson died when I was 6 months old; then my Mother moved to Stockport Lancaster, and taught Chool for A liveing; in the year 1835 my Mother got Married to Edmond Berry; he was A Coal Merchant; in the year 1839 my Father and Family emigrated to new Austrillia; we Set Sail on Friday, and Call in at St. Jago to get fresh water, but they would not let us have any; except we Stay there 8 days; but the Captain would not, So he hoisted the Anchor and Set Sail on Friday; we Sail to Cape of good hope, there we

[p. 2]

Cast Anchor on Friday; we took in Fresh water, and cattle, Some Cape sheep, the tails of these are About 2 ft. long; and 1 ft. wide, across the medle, we took quite A lot of polterry; and Set Sail on Friday: we landed in Sidney Town on Friday; we was Six month on the way; in the year 1840 my Father was A lime Merchant in Sidney Town and done well; my Mother, and me Started A grocerry Store and made money; in the Spring of 1843 my Father Started A Brick yard; he lost About all we had made; So he got discourage and emigrated to new Zealand; he did not like new Zealand; So he paid his fair on the Same Ship to Valparaso;

[p. 3]

South America, my Father got A good berth on the English water works; he was put in bos over the hole affair; I went to School 6 months; in the year 1844, I was interpretor of the Spanish Language, for A Dentist; in the year 1845, I tended Store for A Iron Merchant; In 1846 Father emigrated to England we had A ruff time Sailing round

Cape horn; the sea Brok our bulworks in fore and aft; we was Sailing one evening with A stiff Brize, and the sea froze over; and it was all the Captain Could do, to turn the ship around. and Sailed back all Night, when we Came up Again, the ice had turn into iceburgs, they had to stear through very carful; when we left

[p. 4]

South America; our Captain bet A new hat, with another Captain; that he would be in England first, when we got round the Cape horn, the Captain Saw A Ship behind he thought it A Pirate Ship So he heave to, and this Captain Sail right Along Side of us, and had A long talk with our Captain; and then Sail off and told our Captain to remember the new hat; we Sail in A heavy gail every day; untill we Came to the Coast of Irland; and there we got Ship rack; but we got ashore Safe, and travel over land to A Seaport town; name Wexford, we took pasage to Liverpool;

[p. 5]

we took the train to Stockport Lancashire; there was no work to be got in the Country; So Father bought 2 Cows, and I went around Selling milk; in the year 1847, Father moved to Blackburn; Father and me went to work, on the Blackburn and Presston Rail Road; then we moved to Ratendale, and Bacup Rail Road, work there all Summer; and moved Back to Blackburn, and work on the Blackburn and accrenton Rail Road all winter; erly in the Spring, Mother took me to See my relations; I see 1 aunt She lived at the

[p. 6]

foot of Pendle hill; we Cross over to downnom side; there I Saw An Huncle, with A large Family, bid them good by pass thru Downnom; this uncle last named got his liveing by Farming; I Saw another uncle

between Bernley and Barrowford; he howned A Cotton Factory, he gave me A half A Crown I thought small Potatoes. In the year 1848 we emigrated to St Louis Mo. there Father and me work in A Porkhouse all winter and; I Joine the Church we Saved money to Send for my Sister Elizebeth; and her husband and Family;

[p. 7]

in the Spring Father and me, got A Job at A Flower mill; driveing team at \$1.00 A day each; July 18~~th~~ 1849, my Mother died of Colerry; the next winter Father got Married; in the Spring 1850 I left home; as I and my Stept Mother ~~and me~~ Could not agree, about the Children; I went to Board with Bro Clemings and I was out of work 2 or 3 weeks I got afread I Could not pay my board bill but I got A Job to drive team at \$18.00 Board and washing per month I work 3½ months I Saved \$32.50

[p. 8]

then I quit working by the month and Bought me A horse and dray for \$130.00 I paid 30 dollars down and got time for the balance and I paid the balance in Six weeks during this time Father had move up the river to Lagrans Mo. and I had got home Sick so I went up to see them I found they was all in helth but poor in Circumstances so I told my Father how I was geting along he Could ~~not~~ hardly belive it but I told him if he would Come down to St. Louis I would give him my team and A good mill to hall for where he Could make from \$15.00 to \$25.00 per week So he took me

[p. 9]

up and moved to St. Louis, and I Bought Another team on time, I paid 230.00 dollars for it; in the winter Father got discourage because there was no work he wanted me to take the team back as he did not

like to Sell it because I had maid him A Present of it; he said he had no feed for his team nor his Family; So I told him to go home and Cheere up; and I would bring him Some, So I Borrow Some money, and Bought him 2 Barrills of Flower, 1 hog, and 1 load of hay, and 1 load of Corn, and I took it to him, and I told him when he got any more money;

[p. 10]

to keep it; and let his wife have A little at A time; I finish paying for my team in the Spring of 1851; I work very hard and, Some times I work every other Night, in the year 1852 I let my Father have A horse worth \$75.00; for \$40.00, then my Brother in low William Higgins; wanted me to give him A start in the world; so I Sald him A team for \$175.00; and he was to pay me as much as he Could every week; he had the team 1 year and pay me \$5.00; his excuse was that he Could not do all kinds of work; So I lent him A mule So that he could do

[p. 11]

all kinds of work; and pay me for the team I had let him have; but he tried to Swindle me out of the whole affair; So I put it into A lawyer hands; and he got 1 mule back, he Could not get any more because the law aloud him all he had left; in January 1st 1852 I got Married I had about \$600.00 in the Bank I started another team and made money all the time; February 23rd 1853 my Son Samuel was Born; in this year my sister Lucy, and her Stept Mother Could not Agree; So She Come to me, and I protected her, in the year 1854 I emigrated to Utah Territory; I brought my Sister

[p. 12]

with me; I Cross the planes with A four mule team; I found Utah A hard place for me to live and Save my team; untill I got use to the ways of the Cuntry; I turn my team out on the Range for the winter; I went to work for A. Alder and Shem pernell, Burning Charcoal, in them seders west of Ogden City; and hauled it to Kayvill; and me and Bro Robins got our winter wood of willows roots; down by the lake of kay vill; in the Fall I bought A Bilden lot, and A set of house logs, So I went to work and Bilt me A log house; and moved in About the last of December 1854; in the Spring I

[p. 13]

I bought me A pease of land, and put in A crop, and the grassoppers eat it all up; So I went to work on the fort wall in 1855 [inserted: "my wife had twins William and Charlotte"]; in the fall I Contracked to run A threshing Machine; as there was A little grain raise up North; So I made my bread and Seed, for another year; I traided my Stove for another, and got A Cow to bout, in the Spring of 1856 I put in A crop of wheat; and went on A Mission to the Devel gate for A load of ancarts goods; I turn out to be A general traider; in 1857 I put in A crop, my Son George was Born in this year, in the fall I went out to Echo Canyon; to meet Johnson Army, I was with general Wells untill he came in to the vally; I then Started on A Mission; to

[p. 14]

Salmon Rivere; I was Sent back from Marsh valley; in charge of A lot of Wagons; when I got home, I put in my Crop, and then the order Came for every body to move South, So I moved South in Company with Christopher Layton and geo. Allen in 1858; we travel west of Utah Lake, we found out that the indean was very

hosstile that way; so we turn back, then the word came for every body to return to there homes; So I drove home. I done Conciderable traiding with the gentiles in the fall in the Spring of 1859 I put in A crop; in July 7th my Son Franklin was Born; in the Spring of 1860. I moved to Chache

[p. 15]

Valley Franklin; we Camp in what is know as the South feild; and then bro Maughn Came up and held A meeting and appointed Bro Smart my Self and Bro. Sanderson as A Committee to give out the land and take Charge of the place until there was A Bishop appointed So we went to work and Surveyed the land and draw lots fot it put in A crop work on water ditches most of the Summer in the fall I went to Sell dry goods for Parry & C Salt Lake City; Present Young Came up appointed Preston Thomas Bishop; in 1861 we put in A Crop and I had A team

[p. 16]

Across the plains after the poor; and I started A dry goods Store; done Conciderable traiding; in the year 1862 my Daughter Easter was born; Sent A team across the plains after the poor; put in A Crop and tended Store; I be long to the minite Company, and I was out on every expedision; and we had A grate amount of runing every year, I work on pubblice work A grate deal; in 1863 I put in A crop; I Sent A team across the plains, every year they went and one season I sent 2 Wagons; in Aug 28th my son Albert was Born;

[p. 17]

in the year 1864 I put in A crop; and Bought A half of A Chaf piler thresing Machine; I help to guard Franklin from indians depridation A grate deal; in 1865 April 18th my daughter Clarisa was Born; I

Farm it all that year, and Bought $\frac{1}{4}$ of A new pitts theshing Machine; I work on water ditches, and meeting house, me and Bro Smart Bilt A Saw mill; in the year 1866 I Farm and Run the Store all the time my daught Caroline was Born Nov 10th; and I Married Charlotte Hayter Smart in December, in the year 1867 I Farm my daughter ann was Born October 15th; I took the theshing Machine and run it down rong Ogden and and done good Business;

[p. 18]

in February 15th 1868 I Married Maria Hayter Smart I was Farming and traiding and I went A freighting to Montanner in 1869 March 27th my Son Thomas was born Sept 7th my daughter Lucy was Born I Sold dry goods and done Conciderble Business I paid up 6 shairs in the Coop Store in the year 1870 I Farm and traided all this year I Served as Constuble for about 8 years my dauther luella Born Sept 22 in 1871 I Farm and traided in any thing horses Cattle dry goods or grain in 1872 the Stock holders of the Store put me in A directtor and Superintendent of the Store

[p. 19]

July 15th my son Joseph was Born; the Store when I took Charge of it; was in dept \$2.300 dollars I run it 1 year it was not oweing Any Body then I was Call on A mission to Arrizona and I went my Jurnal Commences April 12th 1873 in that you will find it more Correct I have rote this down as near Correct as I Could recorlect

May 9th

- 1873 Drove to Naviho Wells 9 m. to the top of the mountain
10 m. dry Camp good feed top of Buckskin mountain
10 m. good feed
- 10 Drove to Rockhouse Springs 15 m. good water and feed
here we Camp wateing for more men to go on with
- 11 Camp here Arizona territories all day I went up to the
Spring and had A good wash
- 12 Still camp at the Rockhouse Spring I went up to the
Spring and wash Some cloths and Rote my name on the
Rocks this Spring is one mile from Camp and heavey
Sand to walk in to get to it
- 13 Still wateing at the Rockhouse Spring I Been Reading
most of the day and menden my clodes

[p. 27]

May 14th 1873

- Still wateing at the Springs to day I been washing all
my derty Clothing and playing Checkers
- 15 Still wateing at the Rockhouse Springs. to day I cut my
name on the Rock over the Springs. very cold So that
we have to ware our over coats this afternon
- 16 Still wateing at the Rockhouse Spring. A nice Shower
of rain. Cold and Shilley. this evening
- 17 Still wateing at Rockhouse Spring ice ¼ of A inch last
Night and I was Sick all Night with the headake 9
Wagons Drove in to Camp at 5 oclock and brough me

A letter from home Just as I was righting one to George
C Parkinson

[p. 28]

May

18th 1873

- Still wateing at the houserock Spring I rote A letter to
Charlotte C. Pratt to day all the men in camp met to
gether and appinted A captain and chapline and clark
and Sarægent of the guard
- 19 Drove to Jacob spols 12 m. through sand good water
some feed no wood. in the evening we went up to John
D Lee. and had A long chat with him. I ask him to tell
me About the mountain meadow masacree, and he told
me all About it
- 20 Drove out 5 m. all Sand no water drove to Bager creek
7 m good feed poor water Sandy road no wood A long
chat with J.D. Lee to night
- 21 drove to soap creek 6 m. good water to the right of road
good feed no wood Bad roads

[p. 29]

- 22 Drove to Collorado river 10 m poor feed work on roads
½ day
- 23 Work on dugways 1 day

the mountain had A run away Sent 1 letter to George C
Parkinson

L

26 hall my wagon over the mountain and Drove 8 m. to Navao Springs bad roads 1 ox team give out and 1 horse teame give out and left boght wagon

[p. 30]

May

27th

1873 me and Bro Gibs took our teames and went Back and brought the horse wagon to camp belongin to Bro. king and rested the balance of the day

28 resting our teams to day at Navao Springs heavy wind Blod here all day

29 Drove out 11 m. roff roads heavy winds all day 1 man team give out he cast his load another man left his wagon behind with 3 tire off

30 Bro Nelson went Back and Sett 3 tires and brought the wagon to camp and then we Drove 11 m. to Rockpool good water and grass but heavy road Drove 2 m. and Camp we met 2 Navao indians with 3 young Deer they was glad to See us

[p. 31]

May 31th

1873 Drove 8 m. before brakfast Drove 5 more m to the Summitt 20 m. down the kanyon heavy Sands good water and feed eat Brakfast at 8 oclock eat dinner 9½ oclock heavy walkin in Sand I never was So tired Sinc I Jine the Church left 6 wagons an the road

June 1th 1873 I went Back 7 m. and Brought in wagon with my team heavy roads one of our men found A basion maid

by the old Nephief and I drunk water out of it Stop here all day

2 drove South towards little Collorado 15 m. miss the Mowing cobby trail. Could not find water and had to come back in the night horses Sufferd very much heavy Sands all the way 2 Brothorn

[p. 32]

June 2th 1873

Just Come in to Camp Bro. Morrell give A very Bad Acount of the Country Said they was no water no good land no timber I Sent A letter to Franklin C. Parkinson

L

3 I rested here at mowing Cobby all day 6 teame went back for 6 wagon 2 men went back to kanab to send A talegram to pres. Young that the little colerado was mis repermented

4 I went Back after A wagon 12 m. to day belongin to gib conerly and met A part of Horton Height train coming back they give A bad very bad account of the country in the evening they came and cerernaded our Camp and ~~Soung~~ Soung Songs and preach in danish. they See Deer and Bear this moring there was 2 wagons went back they would not Stay here any longer our Captain Height will not move

[p. 33]

June ~~th~~ 5 1873

Back till he get orders from pres Young what to do

June th 5

1873 we Stade here all day and the balance of the wagons came back to day and the string band went out and met them and had quite A jully time there was 3 teames Started home and at night they came back and say they felt like deserters and said if you do not belive it you try it the balance of Captain Height companny move ½ m. nearer water

6 our Companny move ½ m. to Heaght Companny Strang band play all round Camp very hot place I saw Jace hamlin pres of the indains he was traiding for

[p. 34]

Spads hows axes. flower or any thing he Could get our horses is 3 m. from Camp and we have to travel 3 m. to feed our horses

June

7th

1873 Still wateing at the mowing Cobby I went 3 m. this morning to feed the team I though that to far so I brought them Back, very warm days now but coule nights, I went up on the hightest mountain and I could See for 50 m. all Around the little Colorado, I see A tree to day 3½ feet throught the butt 183 feet [inserted: "fullenth 366 feet"] long 22 inches throught the little end all petterrefide into rock

8 we are Still wateing at the mowing Cobby for an ancer from pres. Young what we Shall do. I was on gaird last night

[p. 35]

June

9th

1873 we are Sill Camp at the mowing Cobby. there where Some of the Brothen went 12 m. to the indain farm to day. we are feeding our flower to our horses. the wether is very warm now. the band is playing round Camp to night

10 we are Still wateing at the mowing Cobby there was an indain Came to Camp to day very much please to See us, and very Sorry there was no place for us to live in this country. the indain are all praying for rain, the few Spring there is are Strong with Salaratoes at the indain City they pack there water from 1 to 2 m. on there backs. they pack there wood 7 m. I would have paid them A visit but I was told I have to take my horse 5 m. to water from the city

[p. 36]

June

11th

1873 I went up to the indain farm 12 m. to day and I saw how they work and I saw there houses and wemon and how they cook and eat with them these indain is name arabbes there was 2 indain could talk Spanish and I had A long talk with them all About there affairs and Steade with them all night

12 I went back to Camp 12 m. I got Some of there bread and see them make it. these indain are A hard working people. they have Sheep goats and Donkes there was 4 indain Came to Camp with us we reloaded our wagon got Supper and went on gaird all night

13 we are still wateing for Some word from pres Young the indains traided A little to day with the Brothren very hot day

[p. 37]

June Still it hail A few minit. I was very sick to day the theometer was up to 108 in the Shade and in one half an heure it was down to 70

14 we are Still wateing at the mowing Copsy I am A little better to day. there is 4 indain men and 1 woman and 3 Donkeys in camp to day

15 still waiting at the mowing Copsy I went and got Some petterefide wood of A tree Aboute 300 feet long, and I went and Copsy come indains ways of righting we had A meeting in Camp this evening it was A very good meeting I was Call on to Speak I don So and felt well

16 there was A Company of men Call to take the horses 12 miles to the moin coppey to better feed I was one of them I was not well that

[p. 38]

June

⚭ 16

1873 day but I got better when I got there I went to the indains houses and heard them Sing and talk

17 this place is name moincoppey we Stead here all there was A was light collard navaho Squaw vitited us to day and we return the vitited in the evening hear her Sing I See Some wheat planted Six days ago 3 inches high

18 we move our camp this morning 1½ miles up the hollow very warm to day exspress started to the Collorrado river to find out whats the matter for we have had no ancer from our other exspress

19 Still camp here very warm I have A paine in my kidneys all the time there was A Stampeed last Night with the horses

[p. 39]

20 we are still herding horses here they Stampeeded to day

21 our horses Stampeeded 4 times last night we move our horses back to the main Camp

22 our exspress came in this morning about 3 oclock brought the new that the ferry bought was sunk they brout A letter Stating that the telegraft line was down and they Sent an indain to the next offic and they are wateing for an ancer they allso brought the new that J.W. Young was dead

23 we move our camp 5 miles towards the indain farm for better feed there was 19 Wagons Started Back to the navaho Springs 9 m. South of the Collorado river to wate

[p. 40]

June

⚭ 23 F

1873 there for ferther orders

L I sent A letter to W.C. Parkinson and forgot to date it

S. 24 we made A Bowerry to get under out of the Sun and then I rote A letter to Charlotte S. Parkinson

L

S. 25 I rote A letter to Maria S. Parkinson and went on gaird half A day and then I had A long Chat with captain Heigh and he said his mind had been for A week that Brigham Young would not ancer our telagram but he

would leave it to our Selves to do as we please
theometer Stod 125 in the Shade

M. 26 we are Still Camp hear. we heard no word from
headquarters yet. we treaded for an another Sack of
flower for our teame

T. 27 we are Sill heare wateing for an ancer we Set 2 tire on
my fored weels

[p. 41]

June

¶ 27 W.

1873 the Captain told us at prays this evening that he would
Start home on monday weather he got any word or not
from head quarters

T 28 mail came in this morning and I got four letters 1 from
A Parkinson 1 do Sharllotte and Maria Parkinson 1 do
L. Packer 1 do W. Parkinson I was very glad to here
from you J.D. Lee had to run from the river that was the
way we got our mail he told us that there was 600
Soldies after him I was on gaird last night I Set 3 tire
for Bro. Laws rote 1 letter to A.C. Parkinson

L

F. 29 we are Still Camp here the theometer Stod at 123 in the
Shade to day

[p. 42]

June

¶ 30 S.

1873 there was one part of the train Started home this
morning and the balance this afternone we drove 7 m.
back after we got Started 1 m. we found out we for got

A kag and I went back after it I had A pair of mogisons
on and they Skind my tows and tired me very much rote
A letter to Esther C Parkinson

L

S.

July he

¶ 1

1873 here we fill up all our kays with water and Started at ½
past 4 oclock up the wash, we travel till 9 oclock and
had Super. drove 2 m. farther and Bro kondie team giv
out. we toke Some of his load, and then we drove til
day light to the Summit 20 m. and had brakfast

M. 2 drove down 26 and Camp at bitter Springs the balance
of the train

[p. 43]

July

¶ 2 T.

1873 Came in next morning there was A wagon from the
other train came out to meet us with warter

W. 3 Drove to Navaho Spring 11 m. and Camp there the
balance of the day

T. 4 I wash my Self all over and chang all my cloth and
wash all my derty clothing dnd drove out 4 m.

F. 5 drove to the big Collorado 5 m. here they went to work
Crossing wagons in A little boat and Swiming the
horses untill the moon went down the theometer Stod
137 in the Shade I am very sick with headake

[p. 44]

July S.

♣ 6

1873 I am A litter better this morning all hand is very bisey
Crossing the wagons I got my wagon A Cross and camp
on this side theometer Stod 137 to day in the shade

S. 7 we are Still bisey Crossing our wagons in A boat 14
feet long 3½ wide finish crossing all our horses and
then we went down to sister Lee and call for A Squire
meal and had it and drove out 8 m. from the Pyreer
Creek

M. 8 drove to Soap Creek 8 m. to Jaccuspools 12 m. though
heavy Sands and bad water I went up to sister Lees
about 11 clock and Call for Super and she promes it.
and when we went up to Super She Say She though we
had Super Said there was So many had Super ther had
eat it all

[p. 45]

July

♣ 9 T.

1873 Bro Stanger wanted us to Brake A horse for him
yesterday So we hitch him up Drove out 6 m and had A
dry Camp Drove on to houserock 6 m. commenc
loading our keys with water as we have A 40 m. Drive
with out water I learn to day that there was 56 wagons
Cross the big Collorado and 103 men and 5 woman and
1 Child the distance from the big Collorado to where
the Brothen went on the little Collorado 2.25 miles

W. 10 I rote A letter to Lucy B Packer and Drove on the
Buckskin mountain 15 m. camp and had Supper

L
